

# 5 Key Benefits of Joining the ProSight Fraud Alert Network

Fraud is one of the most urgent concerns of the financial services industry – and it's only getting worse. **ProSight Fraud Alert Network** helps fraud professionals do their job more efficiently and effectively. Get access to tools, resources and intelligence to catch and clear fraud faster, protect your client experience and minimize losses. Key benefits include:

## Join a First-of-its-Kind Community

Fight fraud in a unique, innovative and highly effective way. Connect with a community of fellow fraud professionals at peer banking institutions on an authenticated network to share intelligence and collaborate before, during and after instances of fraud.

## Access Proactive Intelligence

Shared intelligence from organizations like yours allows you to take tactical preventative actions to protect your systems. Learn about new threats, check your system for exposure and shore up your defenses against newly emerging threats.

## Get Support & Strategy During Incidents

You don't have to experience fraud incidents in a vacuum. The community allows you to identify incidents faster to help minimize losses and get timely advice and strategies from community members who have experienced a similar incident.

## Improve Your Team's Fraud Intelligence IQ

Learn the language, tools, tactics and procedures to bring cyber threat intelligence into the world of fraud. Arm your team with the resources to build a foundational fraud prevention strategy and establish best practices.

## Balance Customer Experience and Fraud Mitigation

How do you control fraud losses without increasing customer abandonment and attrition rates? Collaborate with the community, share best practices and access insights to find the balance that works for your organization.
